BULK BRICKS BUILDING TIPS

Get creative with LEGO bulk bricks. Here are some building hints on how to build a school house and bus stop for your LEGO town. Use LEGO pieces from your own LEGO collection or check out the bulk element paks on page 30.

Step 1:
Use the 2x2 and 2x4 red bricks to build the walls of the school house. Then add windows and doors.

Step 2:
Start building the roof by using 2x2 and 2x4 roof tiles in black. Then, to create a peak on the roof, use the 2x4 ridge steep slope roof tiles.

Step 3:
Build the tower and then if you want, create a little bus stop.
